1921-2020

何鴻燊博士，大紫荊勳賢，大蓮花勳賢，1921年11月25日在香港出生，祖籍廣東寶安。祖父何福，是香港三、四十年代家喻戶曉的人物，香港定例局議員（今立法局）、渣甸洋行買辦，是叱吒香港政壇、商界的何東爵士之胞弟。父親何世光是香港太平紳士、香港中華總商會主席、東華三院主席、沙宣洋行買辦。

何鴻燊博士就讀於皇仁書院，在教育署舉辦的首屆中學會考考獲佳績，獲頒政府全費獎學金。1939年，他以優異成績入讀香港大學理學院，是利瑪竇宿舍宿生。他考獲獎學金，成為理學院最優秀的學生。1941年因戰事爆發從港大肄業，身無長物，毅然隻身前赴澳門謀生。

在澳初期，何博士任職於聯昌貿易公司。他努力學習日本語和葡萄牙語，表現出色。何博士備受器重，很快便被提升為公司的合夥人。兩年後，何博士在澳門創業，從事煤油供應、金融、貿易等，至大戰結束時，已在澳門奠下鞏固根基。五十年代

初，何博士由澳門回港，成立利安建築公司，爭取了大量的建築工程，讓他在香港的地產業界穩佔一重要席位。何博士自1984年起連任香港地產建設商會會長達27年之久，2011年起出任永遠名譽會長，在地產界享有舉足輕重的地位，竭力推動香港的支柱產業以促經濟發展。

六十年代初，適逢澳門博彩牌照投標，何博士重返澳門，夥拍霍英東先生等人士成功投得專營批給，1962年創辦了澳門旅遊娛樂有限公司（澳娛），並自1970年起建立了葡京品牌，蜚聲國際。何博士將澳門博彩娛樂事業引向關注民生、與社會發展緊密結合之路，全力支持基建設施、交通運輸、文化旅遊等，包括參與投資建造友誼大橋、澳門外港客運碼頭、路環貨櫃碼頭、澳門國際機場及新口岸都市化規劃和南灣湖發展工程，全力推動澳門現代化建設，為澳門帶來新繁榮並提升了市民的福祉和生活水平。何博士支持澳門的文物保育工作，包括崗頂劇院、澳門陸

軍俱樂部等，又資助興建澳門文化中心、澳門博物館、澳門海事博物館。為率先支持澳門回歸後大力發展非博彩多元旅遊產業，澳娛全資興建澳門旅遊塔，總投資逾十億澳門元，於2001年開幕，為澳門回歸祖國投下信心一票。2002年，他率澳門博彩股份有限公司投得澳門博彩業開放後其中一個經營批給，秉持「愛國愛澳」傳統，不斷投入更多資源，助力澳門構建「世界旅遊休閒中心」。澳門博彩控股有限公司於2008年在香港上市，為澳門博彩業進軍國際金融市場寫下新的里程碑。

何博士創建澳娛之際，於1962年在香港創辦了信德船務（亦即信德集團有限公司的前身）。信德集團於1972年成立，1973年在香港聯合交易所上市。五十多年來，何博士為完善港澳交通傾注心力，由昔日的大船、水翼船拓展至今天全球最具規模之高速噴射船隊、直升飛機及陸上接駁服務，建起無縫的海一陸一空聯運交通網絡，推動粵港澳旅遊蓬勃發展。在何博士的領導下，「愛國愛港」是企業的核心理念。多元化業務不斷擴展至地產、酒店、休閒及其他

投資領域，為珠三角地區的融合發展注入龐大動力。其中，澳娛是最早投資內地的澳門企業，至今澳娛和信德的業務已遍佈內地多個城市。此外，何博士透過旗下企業於葡萄牙的龐大投資和人際網絡，涉及娛樂消閒、酒店、地產、船務等，為中國與葡語系國家的交流合作搭建平台。

## Dr. Stanley Ho Hung Sun

1921-2020

Dr. Stanley Ho Hung Sun, GBM, Medalha de Honra Grande Lótus, was born on 25 November 1921. His native hometown was Bao'an, Guangdong. Dr. Ho was the grandchild of Mr. Ho Fook, a prominent figure in the 1930s and 1940s who was a member of the Legislative Council, comprador at Jardine, Matheson & Co. Ltd. and sibling of the late political and business magnate Sir Robert Ho Tung. Dr. Ho was the child of Mr. Ho Sai Kwong, who was a Justice of Peace, Chairman of The Chinese General Chamber of Commerce, Chairman of Tung Wah Group of Hospitals, and a comprador at Sassoon.

Dr. Stanley Ho studied at Queen's College. With exemplary results at the Hong Kong Certificate of Education Examination, he earned a full scholarship granted by the

government. In 1939, Dr. Ho was admitted to the Science Faculty of The University of Hong Kong and became a resident of Ricci Hall. He received another scholarship and became the prime student within the faculty. However, as the war broke out, he was forced to suspend his studies in 1941. The destitute young Ho traveled alone to Macau to seek a livelihood.

In Macau, Dr. Ho began working at Companhia Luen Chong. He exerted himself and self-learned Japanese and Portuguese during his spare time. His excellent performance was soon recognized and he was promoted as a partner of the company. Two years later, Dr. Ho started his own businesses engaging in kerosene supplies, finance and trading. By the end of the war, he had gained a solid foothold in Macau. In the early,

1950s, Dr. Ho returned to Hong Kong and made a name for himself in the construction business by founding Lee On Construction Company. The company became tremendously successful, from which he established a leadership role in the real estate scene. Dr. Ho was President of The Real Estate Developers Association of Hong Kong for 27 years since 1984 and became the Honorary Life President in 2011, a vital role which helped propelled Hong Kong's pillar industry and shaped its economic development.

In the early 1960s when Macau reopened the tender for gaming concession, Dr. Ho joined hands with Mr. Henry Fok and others in the bidding and was awarded the monopoly concession. Sociedade de Turismo e Diversões de Macau, S.A.R.L. ("STDM") was founded in 1962, and the internationally renowned Lisboa brand was established in 1970.

Through STDM, Dr. Ho steered the transformation of Macau's gaming and entertainment industry with the goals of diversifying its growth to drive parallel enhancements in social, infrastructural, cultural and tourism developments. He lent support to the development of a host of major infrastructures, including the Friendship Bridge, Macau Outer Harbour Ferry Terminal, Coloane Container Terminal and Macau International Airport. He took on the responsibility of daily dredging of harbour routes, and actively participated in the Outer Harbour development and Nam Van Lakes project. These initiatives were integral to the modernization of Macau, and provided new impetus of economic growth leading to improved standard of living for its people. Dr. Ho was also a staunch supporter of heritage preservation and sponsored the revitalisation of Dom Pedro V Theatre and the Macau Military Club.

He also sponsored the building of Macao Cultural Centre, Macao Museum and Macao Maritime Museum. In support of Macau's economic diversification into non-gaming sectors, STDM fully funded the construction of Macau Tower with an investment of over MOP1 billion. The Tower was inaugurated in 2001, which epitomised his vote of confidence in Macau's return to the Motherland. Under his leadership, Sociedade de Jogos de Macau, S.A. won one of the gaming concessions in 2002 upon the liberalisation of Macau's gaming industry. Upholding the tradition of "Love China Love Macau", he continued to inject new vitality into the city and supported its quest to become a "world centre of tourism and leisure". SJM Holdings Limited was listed on the Stock Exchange of Hong Kong in 2008, setting a new milestone for Macau's gaming industry as it led its way into the international financial market.

In the same year when Dr. Ho established STDM, he also founded Shun Tak Shipping Company, the forerunner of Shun Tak Holdings Limited ("STHL") which has been listed on the Hong Kong Stock Exchange since 1973. For over 50 years, from the days of conventional ferries and hydrofoils to today's TurboJET – the world's largest high-speed passenger ferry fleet, helicopters and land shuttle service, Dr. Ho was fully committed to weaving a seamless air-sea-land inter-modal system which completed the transportation network of Guangdong, Hong Kong and Macau to catapult regional tourism growth. Under the stewardship of Dr. Ho, STHL was established upon the bedrock of loyal patriotism. STHL's business portfolio also diversified into property, hospitality, leisure and investments, powering the holistic integration of the Pearl River Delta. STDM was the first Macau

enterprise to invest in China, and both STDM and Shun Tak have since scaled up their portfolios to multiple cities across the nation. Leveraging his extensive business and social networks in Portugal spanning the entertainment, hotel, property and shipping sectors, Dr. Ho also laid a solid platform for cooperation and exchanges between China and Portuguese-speaking countries.

A patriot at heart and in action, Dr. Ho dedicated his entire life to the service of his Motherland. As a member of the Standing Committee of the 9<sup>th</sup> to 11<sup>th</sup> National Committee of the Chinese People's Political Consultative Conference, he actively contributed his advice to the Country. He served as a member of the Hong Kong SAR Basic Law Consultative Committee, Vice-President of the Preparatory Committee for the Macau SAR, and Vice-President of the Macau SAR Basic Law

Drafting Committee, and played a crucial role in the historic return of Hong Kong and Macau to the Motherland. He firmly believed in China's policy of reform and opening-up, and invested in the establishment of the Zhongshan Hot Spring Resort back in 1979, the Country's very first project in support of the policy. His patriotic act was highly praised by President Xi Jinping.

The motto of "from society to society" underpinned Dr. Ho's enduring charitable commitments. In particular, Dr. Ho placed strong emphasis on education and the importance of learning. Committed to the development of his alma mater, he was a dedicated patron of The University of Hong Kong ("HKU"), including sponsorship for the construction of Flora Ho Sports Centre in commemoration of his mother, Stanley Ho Sports Centre, and the Stanley Ho Block at Ricci Hall. As Chairman of the

HKU Foundation for Educational Development and Research, he launched The Stanley Ho Alumni Challenge in 2005 with a pledge of HK\$500 million which sparked a tradition of alumni giving. Meanwhile, Dr. Ho also made substantial donations in support of Queen's College's developments, including sponsorship of the Queen's College Old Boys' Association Secondary School and the Stanley Ho Astronomical Observatory. In Macau, he was behind the construction of a host of educational facilities, including the Stanley Ho East Asia College at University of Macau ("UM"), and the Stanley Ho Block at Hou Kong Middle School. Apart from serving on the courts and development foundations of various universities such as HKU and UM, Dr. Ho was heavily involved in the development of higher education. He contributed financially to institutions including The Hong Kong Academy for Performing

Arts, The Hong Kong Polytechnic University, The Open University of Hong Kong, Faculty of Medicine of The Chinese University of Hong Kong, HKU Li Ka Shing Faculty of Medicine, HKU SPACE Po Leung Kuk Stanley Ho Community College, Macao Polytechnic Institute and Macau Millennium College, and also established multiple scholarship programmes, to nurture talents committed to the cause of "One Country, Two Systems". In China, Dr. Ho established the Portuguese Language Centre at The Communication University of China, the Sino-French Scientific Centre at Shanghai Tongji University, and the Stanley Ho Experiment Building at Zhongkai University of Agriculture and Engineering. To support the national policy of "Invigorating China through Science and Education", Dr. Ho founded the Stanley Ho Astronautics Training Foundation in 1990 and built the Stanley Ho Astronautics Training

Centre in Langfang, Hebei to nurture the next generation of astronautic talents for the Country. As an advisor to Beijing's 2008 Olympic Games Bidding Committee, Dr. Ho contributed to the construction of the National Aquatics Center and sponsored the Olympic equestrian competitions held in Hong Kong. He was awarded the Beijing Olympics Honour in recognition of his significant efforts. In addition, he contributed to the building of Zhuhai Sports Centre and sponsored various international sports events held in Hong Kong and Macau.

With an unstinting passion for the protection of China's cultural heritage and promotion of patriotic spirit, Dr. Ho saved the Yuanmingyuan Bronze Pig Head and donated it to the nation in 2003. In 2019, he further donated the Yuanmingyuan Bronze Horse Head as his tribute to the 70<sup>th</sup> anniversary of the founding of

the People's Republic of China and the 20<sup>th</sup> anniversary of Macau's return to the Motherland. In 1987, Dr. Ho donated 147 artifacts to the Country, and in 1999, he was amongst the first to support Beijing in building The China Millennium Monument to mark the ushering in of a new era. He also regularly invited and financed associations and groups from the Mainland, Hong Kong and Macau for art and cultural exchanges.

Dr. Ho's benevolence also shone through his extensive philanthropic efforts, from disaster relief to epidemic control in the Mainland. He held key roles in various charity associations, which served a wide range of beneficiaries including the underprivileged, children, youth, elderly and women. In Hong Kong, he presided as Vice Patron of The Community Chest of Hong Kong, Vice President of The Hong Kong Girl Guides Association and many other charitable capacities.

He was a patron for organizations including the Hospital Authority Charitable Foundation, Po Leung Kuk, Tung Wah Group of Hospitals, Hong Kong Ballet and many more. Talented in many ways, Dr. Ho was invited to perform for various charity shows which resulted as top fundraising segments. In Macau, Dr. Ho served as a Trustee of Macau Foundation and Permanent President of Kiang Wu Hospital Charitable Association to name but a few. His heartfelt concern for the welfare of others was reflected through innumerable charity programs he supported over the years, including Macao Federation of Trade Unions, General Union of Neighbourhood Associations of Macau, The Women's General Association of Macau and Caritas Macau.

In recognition of Dr. Ho's contributions towards philanthropy and the communities, the Hong Kong SAR Government and the

Macau SAR Government conferred upon him the Grand Bauhinia Medal and the Medalha de Honra Grande Lótus (Grand Lotus Medal of Honour) in 2010 and 2007, respectively. To date, Dr. Ho remained the only individual who received the highest distinctions from both SARs. Two avenues in Macau and Portugal were respectively graced "Avenida Doutor Stanley Ho" (Dr. Stanley Ho Avenue), an unprecedented honour bestowed upon a Chinese national during his lifetime. Moreover, Dr. Ho was named Honorary Citizen of many Mainland cities, including Beijing and Guangzhou. He was awarded the Award for Outstanding Achievement by Guangzhou in 1996, and the Special Honour Award at Beijing's first Jinghua Awards Ceremony in 2014. Internationally, Dr. Ho was bestowed a number of significant decorations from Portugal, the United Kingdom, France, Belgium, Spain, Japan and Malaysia,

amongst which those from Portugal and France represented the highest decorations for civilians. Dr. Ho received honorary doctorates from UM, HKU, The Hong Kong Polytechnic University, The Open University of Hong Kong and The Hong Kong Academy for Performing Arts. He was the Honorary Professor of Jinan University, Honorary Fellow of the School of Accountancy of the Central University of Finance and Economics, Honorary Fellow of The Hong Kong Academy of Performing Arts and Fellow of The Royal Academy of Dance of the United Kingdom.

A man of his word, Dr. Ho was always sincere and forthright, and such qualities won him extensive respect and many valuable friendships. Dr. Ho was a natural in public speaking, popularly known for his sense of humour and captivating charisma, behind which also lie his acute foresight and

wholehearted dedication. Driven by unwavering determination and an insatiable appetite for learning and improving, he never backed down from any obstacle and challenge. His perseverance and hard work not only defined his success, but also helped shape the communities and lives of many who were touched by his generosity. Dr. Stanley Ho had a deep and abiding love for his family members. Through words and deeds, he imparted important values to his family members, who have also been actively serving the communities in continuation of his enduring legacy. On 26 May 2020, Dr. Stanley Ho passed away peacefully at Hong Kong Sanatorium & Hospital surrounded by his family at the age of 98.

何博士生前經常說：「員工是公司最重要的資產」。他對員工珍愛有加，不只是給予我們一份工作，更注重我們的培訓和長遠發展，時常提醒我們不進則退、必須持續進步。何博士高瞻遠矚，每有創新大膽的想法，都會勇往直前，永不言敗。多年來，他帶領集團企業投入開創的多個標誌性項目，往往為我們帶來不同的挑戰，但卻正是締造機會，讓我們擴闊眼界、持續學習和成長，與時俱進。他對我們的支持、鼓勵和讚譽，為我們繼續前行，帶來無窮信心和強大動力。

何博士十分重視和關心員工的福祉，對我們一視同仁，和藹可親，平易近人，是重情重義的好老闆，跟我們的感情非常深厚。出席公司會議和活動，他會主動跟員工打招呼、慰勞同事；知悉員工遇到困難，他總是會盡力幫助。員工們都十分敬佩和愛戴他，加入集團企業的同事們，往往都服務最少超過二、三十年，甚至達五十多年。不少同事的整個職業生涯都一直與何博士並肩作戰，更有一家父母子女在不同的企業單位追隨何博士。

何博士一生充滿大愛，行事慷慨、細心周到。他曾說：「人生有多少個十年並不重要，最重要是我們給社會留下甚麼？」他不光是說，而且身體力行，總是「好事·多為」，為我們樹立「以生命影響生命」的優良典範。他為國家和港澳發展投進無比心力，特別是對澳門的社會和經濟發展作的出重大貢獻，可謂是促進澳門

現代化的推手，功業有目共睹，令很多人直接或間接受惠。我們未必每位員工都有機會接觸過何博士，但卻深深受他處世的理念和精神所打動和影響。能在他旗下企業服務，一起為促進社會發展盡己綿力，是我們的光榮。

老闆口才了得，擁有非凡的幽默感，加上人生閱歷豐富，大家都愛聽他說話和講故事。從前每年集團企業的春節聯歡晚會，何博士的致辭，都是我們翹首以待的環節。風趣的言詞、充滿睿智的內容，言簡意賅，令大家津津樂道，回味無窮。

今天，我們跟何博士道別，由衷不捨。我們將永遠懷念他，並不忘這位守護神的恩惠和教誨，秉持他為我們定立的方向，繼續發揚他「取諸社會，用諸社會」的精神，以不負他的苦心和期望。

*Dear Jairy,*

Personally, and on behalf of the Award family, I am so sorry to hear the sad news about your father. It has been a privilege to know Stanley and I have thoroughly enjoyed the occasions when we've met.

We will always remember his personal affection for the Duke of Edinburgh's International Award and how he has been such a staunch friend and supporter over many years. Securing our present home in St Matthew Street will remain a lasting legacy of that friendship.

At what must be a very difficult time, you and your family are in my thoughts and prayers. I trust that you have plenty of memories of happier times to sustain you. Nevertheless, Stanley will be sorely missed by many.

*Yours sincerely,  
Edward*

It is common to say that nobody is irreplaceable but this cannot be applied to someone like Stanley Ho. Men like him do not die: they will endure over time through the legacy they leave.

A successful businessman, a determined entrepreneur, a visionary in the entertainment industry in Macao and worldwide, Stanley Ho was also an exceptional human being, a generous benefactor always concerned with others, which made him special and unique.

It is not too much to say that Stanley Ho was the most prominent figure of the 20th century in Macao, including politicians, governors and other businessmen, having played an outstanding role in its economic and cultural development.

It was also undeniable his special affection for Portugal and the Portuguese people to whom he gave proof of great respect and friendship on several occasions.

During the negotiations with the Macao Administration for the concession of exclusive gambling rights, it was Stanley Ho who had the idea of creating a Fund, that should aim to develop and continue the historical ties linking Europe and Asia and, in a particular way, to foster the friendship ties between Portugal and Macao.

But Stanley Ho, not only had the idea, as he materialized it, providing the funds through the Sociedade de Turismo e Diversões de Macau (STDM) and thus establishing Fundação Oriente in 1988.

His name will always be connected to the Fundação Oriente, to which he remained attached as Founding member of the Board of Trustees.

The continued work and strong commitment of Fundação Oriente to pursuing activities of a cultural, educational, artistic, scientific, social and philanthropic nature is a testimony of gratitude to Stanley Ho, from of all of those who work there as well as those who benefit from it.

We have lost a friend, who will always be remembered.

何鴻燊博士畢生心繫皇仁，身體力行活出校訓「勤有功」。他取諸皇仁，用諸皇仁，無私奉獻母校數十載，建校助學，不計其數。他的金石良言和妙語連珠皆為皇仁仔津津樂道，是一代德高望重的楷模。

Dr. Stanley Ho had a passion for QC for his entire life, living up to the school motto "Labor Omnia Vincit". He never forgets how QC prepared him for great things. Serving the alma mater for decades, he contributed to countless projects on quality education. QC boys were inspired by his words of wisdom and humour, which became our fond memories. He is our role model held in high regard in the era.

## *All my life, I never said 'No' to challenges.*

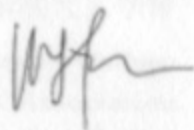

The HKU Family honours the life of Dr. Stanley Ho (HonDSocSc 1987), a most compassionate and faithful member who embodied the values we at HKU hold dear.

He had an exceptionally generous spirit, and brought kindness and humility to his commitment to education and excellence. For decades HKU was blessed by his loyalty, leadership and benevolence.

Dr. Ho famously said: "All my life, I never said *no* to challenges. So when HKU approached me for support, my answer was a straight *yes*." In 1995, he accepted the challenge of creating the HKU Foundation for Educational Development and Research and took the helm as its Founding Chairman.

His endowment of sports centres, his patronage at student sports games and Christmas balls, and his pioneering of a tradition of alumni giving with the internationally acclaimed "Stanley Ho Alumni Challenge" all bear witness to his enduring devotion towards his *alma mater*.

A quintessential HKU alumnus and Riccian, Dr. Ho provided leadership for our times and a vision for our future. He will remain forever part of the HKU legacy.

## 學生時代是最快樂的時光

1995年，何鴻燊博士以披荊斬棘的魄力，創立香港大學教研發展基金。Stanley曾說：「基金是屬於港大和香港社會的，為開拓明天而設，而我們藉着港大的卓越教研，矢志為香港、祖國，以及國際社會的繁榮而盡心盡力。」

Stanley與港大結緣逾八十載——他1939年入讀理學院，是利瑪竇宿生，當年是窮學生。他常常和大家講述讀書期間的趣事：「舍監Kelly神父，最愛不穿鞋，只穿白襪，每晚十點後踏著腳偷偷周圍巡視，看我們有沒有夜裏把宿舍翻轉。我們最怕晚上黑麻麻的，碰上Kelly the Ghost！」引得大家開懷大笑。他常說，學生時代是他最快樂的時光。

他的願望很簡單：「我希望與校友們齊心合力，建立捐贈文化。」港大一百周年時，Stanley藉著「何鴻燊校友挑戰計劃」，與一萬三千位校友共同完成十億的籌款目標，作為獻給母校的生日禮物。

何博士的幽默、豁達、豪邁和熱情，與他所締造的傳奇故事，將永遠銘刻於一代又一代港大人心中。

**楊紫芝教授**  
香港大學教研發展基金主席

何鴻燊博士安詳離開我們，卻永遠活在我們心中。

何博士乃香港大學校友，容許我們親切稱呼他為學長——我們心目中的「學長師兄」。

學長在我們腦海裡形象英明，乃因他生前一言一行，充滿睿智，不會人云亦云。

他從來不拾人牙慧，很有自信，說出自己心底話，真心、誠懇、準確，於是言論有新鮮感，大家聽起來，感覺風趣，想深一層，更具深厚智慧。因此說他為香港少有一位敢言且見解精闢企業家，相信大家不會反對。

學長令我們刻骨銘心記住的事情，多不勝數，他對母校捐獻，更是連連創舉，充份表現他宅心仁厚，以及其俠義精神。港大醫學院師生，受惠學長慷慨捐贈，因而可以專心教學科研，更沒齒難忘。這當中包括「信德集團何鴻燊博士基金會」鼎力支持醫學院130周年慶典重點項目「全球醫療衛生領袖香港峰會」。

學長風趣幽默，在利瑪竇宿舍 (Ricci Hall) 芸芸宿友當中，早已著名。因緣際會，由耶穌會管理的港大利瑪竇宿舍，多年來成為不少醫學生搖籃。所以，何學長甚至足堪為我們現在不少大醫的「大仙」。

何鴻燊學長活出了香港大學「明德格物」精神，也活出了利瑪竇人善用天賦、自強不息的精神，貢獻社會，造福市民，當仁不讓，成為我們醫學院員生心目中「最佳學長師兄」，當之無愧。

Dr. Stanley Ho was a staunch support of academic pursuit and the story started from 2003, after the calamity of SARS. Seeing that the major infectious disease outbreak took the lives of almost 300 people in Hong Kong, Dr. Ho has made a major donation to the Chinese University of Hong Kong in establishing the Stanley Ho Centre for Emerging Infectious Disease (CEID). The mission and vision of CEID was to scale up preparedness of the public and the healthcare system in Hong Kong for future infectious disease outbreak. Research topics include coronavirus, influenza, norovirus among others. The first director of CEID was Professor Joseph Sung, who was succeeded by Professor David Hui (Stanley Ho Professor of Respiratory Medicine). The CEID has also established collaborations with medical colleagues in Macau in studying infectious disease epidemiology. His interest in academic research and societal development extended to the use of big data and decision analytics in the development of future cities. In 2013, the Stanley Ho Medical Development Foundation offered another generous donation to establish the Stanley Ho Big Data and Decision Analytic Research Centre (BDDA). This centre fosters multidisciplinary research in 3 areas: e-Healthcare, e-Climate and e-Learning. In 2015, the Foundation made another major donation to CUHK to establish the Brain and Mind Institute headed by Professor Patrick Wong (Stanley Ho Professor of Cognitive Neuroscience) focusing on interdisciplinary researches on neurocognitive development and language defects.

### *In fond memory of our Founding Court Member Dr. Stanley Ho*

An influential and exemplary leader, Dr. Stanley Ho played an unparalleled role in the development of Macao and Hong Kong, and greatly supported the reform and opening-up of Mainland China, making tremendous contributions to the advancement of the country.

With Dr. Ho's staunch support for education, The Hong Kong Polytechnic University (PolyU) has benefited greatly from his valuable counsel and benevolence as Founding Member of our University Court (1995-2020) and Honorary Life Chairman of the PolyU Foundation. In grateful recognition of Dr. Ho's distinguished achievements and long-standing support, PolyU conferred the degree of Doctor of Social Science honoris causa on Dr. Ho and named the Stanley Ho Building on campus in his honour. Dr. Ho's contributions have helped lay a solid foundation for PolyU to strive for excellence in education and research. Dr. Ho's legacy is profound, and he will be dearly missed by all of us at PolyU and by members of the wider community.

*In memory of Dr. Stanley Ho, GBM,  
Medalha de Honra Grande Lótus*

Our favorite memory of Dr. Ho was his attendance at our Passing Out Parade held on 5th June 1997. As the Reviewing Officer, Stanley turned up solemnly in his captain uniform, yet wearing a warm smile throughout, allowing his charismatic presence to be projected to all those present. The inspiring speech that Stanley gave on that occasion touched the hearts of the graduates and created a positive impact on their future endeavours.

As matter of fact, Stanley was a strong supporter of the Hong Kong Sea School. Over the years, the Shun Tak Holdings Limited has offered scholarships, job placement programmes and employments to us, from which a lot of our students have benefited. Stanley's compassion for less privileged children and commitment in education for such a cohort will always be remembered. We will keep his memory alive in the campus and in each of our minds.

*A legendary man has left us,  
but will forever be in our hearts.*

Dr. Stanley Ho was a Board Member of the Chest from 1980 to 1993 and became Vice Patron in 1986. He had never ceased to support us in the past fifty years.

His foresight and intellectual brilliance had made immense contributions to our fund raising work – unique initiatives with personal participation had brought in substantial sums to the Chest coffers for many years. In 2001, he introduced the “Celebrations for the Chest” idea which has now become a flagship and sustainable programme for the Chest.

His presence at Chest's events had always bestowed us with aura, owing to his wit, humour and charisma.

Our deepest appreciation to Dr. Ho for passing on his benevolence to his next generation – both Pansy and Lawrence have served on the Chest board for a number of years and have, as like their father, contributed to the Chest in many special ways.

As a community leader, he is celebrated and respected.

As a philanthropist, he is visionary and caring.

As our valued donor, he will be sadly missed and we will remain eternally grateful.

## 深切懷念何鴻燊博士

原全國政協常委，大紫荊勳賢，大蓮花勳賢

何鴻燊博士，原全國政協常委、大紫荊勳賢、大蓮花勳賢，於2020年5月26日與世長辭，東華三院全體同人深表哀悼，並謹向何博士親人致以最深切的慰問。

何博士一生高風亮節，碩範貽徽，德望長昭，熱心公益，回饋社會，備受各界尊崇，實為我等楷模。何博士亦時常指導及支持本院各項服務發展方向，多年來本院獲益匪淺。

自何博士祖伯父何東爵士KBE, JP, KStJ於1898年出任本院主席，其家族便開始與本院結緣。及後，包括何博士祖叔父何甘棠先生CBE, OBE, JP (1906年度主席)、外祖父冼德芬先生 (1908年度主席)、父親何世光先生 (1919年度主席)、及何博士的家人莫何婉穎女士 (1984年度總理)、何超瓊女士JP (2008年度總理)、陳婉珍博士BBS (2013年度主席)、何超蓮女士BBS (2015年度主席)、何猷啟先生 (現任第五副主席)，前後四代歷逾一世紀不辭勞苦，積極親身參與本院善業。

何博士於2006年為本院《英語粵劇精華慈善晚會》粉墨演出、2006及2007年連續兩年擔任《慈善網球大賽》主禮嘉賓、2007年身體力行出席《歡樂滿東華》節目獻唱籌募善款及擔任《東華有情夜》主禮嘉賓、2015年更為《歡樂滿東華》拍攝呼籲短片，至今均是令人難忘的片段。

何博士與他的家族成員多年來亦慷慨捐款本院，遍及醫療、教育及社會服務，本院為答謝其善心，特意將部份單位及聯校獎項以其家族成員命名，計有何藍瓊縷幼稚園、東華三院文物館鴻珍堂、陳婉珍第三齡義工中心暨膳深軒、陳婉珍躍動適體及健康中心、何超蓮檔案及文物中心、何超蓮綜合復康中心與何超蓮聯校公民教育獎。

永遠懷念何鴻燊博士

原全國政協常委，大紫荊勳賢，大蓮花勳賢

何鴻燊博士，原全國政協常委、大紫荊勳賢、大蓮花勳賢，於2020年5月26日溘然長逝，保良局全人為之惋惜痛哀，並謹向何博士家人致以最深切慰問。

何博士畢生立業非凡，致力公益，惠及大眾，尤於教育、社會服務、康樂文化等建樹甚豐，貢獻捐輸不計其數，功德不朽，風範長留，世德流芳。

何博士家族與保良局淵源殊深，成員積極參與本局善業前後逾百年。何博士祖伯父何東爵士KBE, JP, KStJ於1886年出任本局副主席，其後祖叔父何甘棠先生CBE, OBE, JP於1908年任總理、祖父何福先生JP於1917-21年度任永遠董事局副主席、梁安琪女士BBS任2014年度主席、女兒何超鳳女士為本局現任主席、兒子何猷亨先生自2015年起任本局總理。家族成員均行善積德，樂善好施。

何博士古道熱腸，行善不計其數，慷慨捐款支持本局多年來的籌款活動，如2012年以何鴻燊博士基金會名義冠名贊助《星光熠熠耀保良》，

亦多次親臨主禮；更曾粉墨登場獻唱粵曲，參與籌款善舉。除了身體力行，他也十分鼓勵家人積極行善，於2005及2009年更親臨出席家屬加入本局董事會之就職典禮及晚宴。

何博士致力推動教育及文化發展，慷慨捐贈鉅資予本局與香港大學專業進修學院合辦社區書院，以培育莘莘學子。書院乃命名為「香港大學專業進修學院保良局何鴻燊社區書院」以紀念博士之善舉，何博士本人更親自出席書院2015年3月之命名典禮。家族亦慷慨借出於跑馬地法式建築古宅予本局推行全港首項「V54年青藝術家駐留計劃」，鼓勵青年發展及藝術交流，以藝術回饋社會。本局為答謝何博士及其家族成員的支持，特意將部分單位以其家族成員命名，計有保良局梁安琪幼稚園暨幼兒園、保良局梁安琪兒童發展中心、保良局香港道教聯合會圓玄小學「梁安琪泳池綜合大樓」及「保良局建造商會學校」梁安琪教學大樓及特別室大樓。

何博士的善行代代承傳。2020年，全球爆發新冠肺炎，社會經濟民生備受打擊，女兒何超鳳主席領導全局上下同心抗疫，穩定局務，使老弱貧病之服務不受影響；並靈活迅速回應基層弱勢社群所需，支持中醫車義診，聯繫各界提供防疫物資等；復以「關愛無限·共跨疫境」為號召，呼籲各界捐輸為基層市民送暖，渡過難關。善事一呼百應，受惠者眾。

何博士數十年心繫保良，力臻至善，博施濟眾，匡扶弱勢，履行善業。哲人雖逝，善緣長存，本局全人銘感大德，永誌不忘。

Hong Kong Ballet is honored to have maintained a long-term relationship with Dr. Stanley Ho, our Life Patron and the father of Ms. Daisy Ho, Chairman of our Board of Governors, and Ms. Pansy Ho, former member of the Board of Governors of Hong Kong Ballet. A well-respected figure who has graced the pages of our dance publications since the 1980s, Dr. Ho is not only world-renowned as an extraordinary entrepreneur and devoted philanthropist, but is also fondly remembered as a dedicated dance enthusiast by the people of Hong Kong. Hong Kong Ballet is grateful for his magnanimous generosity, which has blessed the Company since its earliest days. As a pioneer who actively promoted cultural exchange between Hong Kong and Macau, Dr. Ho was instrumental in contributing to Hong Kong Ballet's first performance in Macau in 1981. Inheriting his passion for the arts, Ms. Daisy Ho and Ms. Pansy Ho have ceaselessly supported and continue to support the development of the Company.

All of us at Hong Kong Ballet are deeply saddened by the news of Dr. Ho's passing, which is an enormous loss to the arts and cultural sector in Hong Kong, and indeed, the world. He leaves a legacy that will live on in our hearts forever and we will continue to follow his vision of serving the community through dance.

The Hong Kong Academy for Performing Arts is deeply grateful for the strong and unwavering support of Dr. Stanley Ho and his family. Dr. Ho was a long-time patron and a loyal friend of the Society of the Academy for Performing Arts which raises funds for the Academy by establishing scholarship endowments. His generous support and contributions have been significantly benefiting our students in pursuit of their dreams in the performing arts.

Dr. Ho was a great man and a well-respected philanthropist who had made a remarkable contribution to both Hong Kong and Macau. Dr. Ho's kindness, generosity, sense of humor and strong commitment to higher education will also be remembered.

The Academy feels very privileged to have had Dr. Ho's long term support as he always had a profound passion for nurturing performing arts talent and enriching the cultural development of the Hong Kong community. So no one faces cancer alone

I met Stanley in the early 80's, my first impression was of a very distinguished man, open and warm and with a twinkle in his eye. He took great interest in many philanthropy projects within the community.

When I started the Hong Kong Cancer Fund in 1987, he offered his support. He and his family have since been one of our most loyal and generous patrons and have contributed greatly to our extensive network of support services in hospital and in the community.

I have lost a truly good friend, known to many as Uncle Stanley who loved to party. He will be greatly missed.
